REPLY AND AMENDMENTAssistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This Reply is being filed in reply to the Office Action mailed October 31, 2002. Applicants have the following comments.

AMENDMENTS

Kindly amend claim 13 to read as follows:

Sub E
13. (Amended) A method for the treatment or prevention of alveolar destruction in a mammal comprising the step of administering a therapeutically effective amount of an RAR antagonist having specific RAR modulating activity to said mammal.

REMARKS

Applicants have carefully considered the Examiner's comments in the Office Action dated October 31, 2002, and respond as follows.

Applicants note that the claims are now free of the prior art, as the Examiner has not repeated
